^①Ants **are** often **praised for** their diligence. ^②They **gather** food, **keep** their nest clean,

and support their family. ^③However, **not all ants deserve this praise**. ^④Some types of ants

have found a way to have other ants do these tasks. ^⑤These ants are called “slave-making

ants.” ^⑥Slave-making ants **steal** eggs **from** other ant colonies. ^⑦They **attack** the nests and

kill the adult ants. ^⑧Then, they bring the eggs to their nest. ^⑨**When** the eggs hatch, the

newly born ants think the attackers are their real family and work for them. ^⑩For example,

they feed **the young** of the slave-making ants, and they also clean the nest and take care

of the queen. ^⑪The ants work for the slave-making ants **their whole lives**. ^⑫Slave-making

ants cannot do these jobs because they only **focus on fighting**. ^⑬You might **feel bad** for the

slave ants. ^⑭Surprisingly, they don’t even know they are slaves.
